SMILE AND LEARN

Video, App, Audiobook Licensing

+15,000 Interactive Activities

We are leaders in Educational Technology and Content

Internationally awarded with institutional agreements

Founded in **2013**.

Used in over **7,000 schools** worldwide.

Wide implementations with public schools through **agreements with communities** .

More than **100 million children** learn with our content.

Children **love it**, and teachers believe it is a **great educational tool** (8.9 y 8.5 out of 10, respectively, in a survey about the use of Smile and Learn in schools).

Students learn and smile with us, as demonstrated by **scientific studies** published in international journals: British Journal of Education and Frontiers in Education.

All the educational needs of children from

3 to 12 years old

Different formats

(videos, games / interactive activities, audiobooks, etc.)

Available in

6 languages
