A naughty little witch who's **learning how to tackle school, make friends and most confusing of all: understand her emotions** - when she's not facing dragons and meeting aliens, that is!

With humorous illustrations and fun fonts throughout and QR codes linking to the free audiobooks!

Key Selling Points

- Encourages children to talk about their thoughts and feelings - Maggie's pet chameleon changes colour to reflect her mood
- A fun and relatable children's story about the importance of telling the truth
- Engaging illustrations and fun fonts throughout - great for reluctant readers
- Written by an award-winning children's author
- Fun and mischievous spells that introduce children to rhyming couplets
