

# Zizi & Hannibal

26 x 11'  
Ages 4-8

## Zizi and Hannibal

Is a delightful animated TV series that will entertain and delight younger viewers. The series introduces viewers to a world of wonders populated by African animals. Seen through the eyes of a clever and curious little girl and happy-go-lucky hippo.

Developed and produced by Pixcomm, the studio that brought you *Jabu's Jungle*.

This series weaves together entertaining stories with a distinct African flavor that engages younger audiences and gives them a love for their environment and nature.
